**RiseIT CEO Kishore Khandavalli Named as a EY Entrepreneur of the Year®
Finalist for Central Plains Region**

DALLAS, TX — APRIL 29, 2022 — RiseIT Solutions, Inc. (RiseIT) CEO Kishore Khandavalli has been named as one of the finalists for the 2022 EY Entrepreneur of the Year® Award for the Central Plains region.

“I’m really delighted to be named a finalist for the Entrepreneur of the Year® Award. As an entrepreneur, you expend a tremendous amount of energy innovating and striving to achieve your business goals. It’s a wonderful acknowledgement when those efforts are recognized by an organization such as EY,” Khandavalli remarked.

RiseIT has seen exponential growth during the last few years. This growth occurred despite the pandemic due to very unique strategies and initiatives the company put in place during the early days of the pandemic. RiseIT currently has over 1,000 resources and serves several Fortune 500 companies.

“Entrepreneurs play a vital role in transforming our lives by disrupting entire industries and reinventing economies. We couldn’t be happier for Kishore Khandavalli to be recognized as a finalist,” explained a spokesperson for EY, adding, “As the world’s most prestigious business award for entrepreneurs, EY Entrepreneur of the Year® Award has been at the forefront of identifying game-changing business leaders.”

For more than 35 years, the EY Entrepreneur of the Year® Award has been recognizing business leaders with an entrepreneurial spirit; individuals who are impacting the world in a positive way through innovation, inspiration and growth. In order to be nominated, an individual must hold the position of president or CEO of a business — publicly- or privately-held — and they “must be primarily responsible for the company’s recent performance,” according to EY.
